

## **WYA PRIVACY POLICY**

The World Youth Alliance ["WYA"] is committed to treating the personal information of our members with respect and sensitivity. Our privacy commitment is described in this Privacy Policy.

## **INFORMATION YOU PROVIDE US**

In general, you can visit [www.wya.net](http://www.wya.net) without telling us who you are or revealing any information about yourself. If you choose to register as a member, we will collect your name, date of birth, email address, and street address along with other information you may choose to submit.

WE DO NOT PROVIDE ANY PERSONALLY IDENTIFYING INFORMATION FROM OUR MEMBERS, REGARDLESS OF ITS SOURCE, TO ANY THIRD PARTY FOR ANY PURPOSE WHATSOEVER.

## **PROTECTING CHILDREN'S PRIVACY**

We recognize that some of the users of our site may be Minors in their particular country. Although we are a non-profit entity running a non-commercial site, we are committed to protecting Minors' privacy online and meeting the requirements of the US Federal Children's Online Privacy Protection Act.

We encourage parents and guardians to spend time online with their children and to participate in the activities offered on the Site. In order for a Minor to register as a member, it is necessary for the Minor to register and to provide certain limited personal information. This includes the Minor's name, address, email address and birth date. This information is used by the World Youth Alliance solely to email information about the organization and its activities to the Minor.

BECAUSE WE MAY COLLECT MINOR'S PERSONAL INFORMATION THROUGH OUR SITE, EACH PARENT SHOULD PROVIDE CONSENT BEFORE THE MINOR IS PERMITTED TO REGISTER ON OUR SITE. IF YOU ARE BELOW THIRTEEN [13] YEARS OF AGE, PLEASE ASK YOUR PARENTS FOR PERMISSION TO REGISTER AS A MEMBER.

A parent or guardian of a Minor may at any time request that we delete the child's registration as a Member by contacting us via email or by writing us at the address below.

## **USE OF INFORMATION**

The use of your information is subject to the Privacy Policy and Terms of Use in effect at the time of use. The provisions contained herein supersede all previous notices or statements regarding our privacy practices with respect to this Site.

1. We use aggregated data (independent of any personal identifiers, except for the particular country of each Member) for WYA research purposes, and in order to keep track of the number of our individual and organizational members.
2. We may use your email address to contact you to respond to your inquiries or to provide information about WYA projects and activities to you. You may elect not to receive emails from us either by so indicating at the time you register, "unsubscribing" to an email you receive or by contacting us as indicated below.

## **OPT-OUT AND SECURITY**

1. If you do not wish to receive offers or other notices from us in the future, you can "opt out" by contacting us at the address indicated at the end of this policy.
2. We use industry-standard, established security measures in place in our physical facilities and in our computer systems, databases, and communications networks that are designed reasonably to protect information contained within our systems from loss, misuse or alteration.
