

World Youth Alliance
Asia Pacific

Strengthen the promotion of human dignity in Asia Pacific.

Giving to WYA changes lives. We count on your support to defend the dignity of the human person. Your gift enables thousands of young people across the region to encounter the powerful idea of the dignity of the human person and to transform policy and culture. With your contributions—big or small—we are able to touch the lives of so many young people through our programs in Advocacy, Education, and Culture.

Below are different ways you can donate to WYAAP. Should you have questions or recommendations on how we can make the experience more seamless and convenient for you, you may get in touch with our team at asiapacific@wya.net.

All the values I needed to learn, I learned from WYA. It is a privilege to have been and still be a part of WYA. The experience is unforgettable and will surely be a great story to share in the future
